**Brent Ware Cart**

This heavy-duty ware cart is constructed from 1" heavy wall pipe, it is 77" high, 32" wide and 24" deep. Four 4" diameter rubber swivel casters roll easily when cart is loaded. All metal parts finished in black enamel. Ware cart is shipped unassembled in one carton. An optional set of 12" x 32", 1/2" thick exterior plywood shelves is also available and is shipped in a separate carton. Shipping dimensions: 24" x 32" x 77" Shipping weight: 80 lbs.

**Bat Mobile**

A great way to store your unused bats. The Batmobile can hold 60-90 bats, depending on thickness, and has an adjustable shelf to accommodate 12" to 14" bats. Standing 42" high, 35" wide, and 14" deep, the Batmobile's top shelf can also be used on the ware cart. Shipping weight: 60 lbs.

**Mobile Clay Cart**

Sturdily constructed of birch plywood, this clay cart will provide years of service. The inside is completely lined, and the top is fitted with piano hinge and recessed pull allowing the cart to remain open while class is in session. Includes casters for easy moving that also lock in place. Finish consists of sealer and multiple coats of lacquer. Overall size: 28"H X 18" W X 14" D. Shipping Weight 45 lbs.

**Kiln Shelf Cart**

A mobile, efficient means of loading and unloading your kiln, the Brent@ Kiln Shelf Cart is 47" high, 35" long and 13" wide. Steel rods keep up to 16 shelves (up to 20") stored vertically and separated for less damage. Three shelves give you room for stacking posts, cones, stilts, pots, etc. and are interchangeable with our ware cart shelves. Shipping dimensions: 35" x 13" x 47" Shipping weight: 63 lbs.
