

DOLAN TOOLS

Dolan Tools are made of top quality high carbon knife steel and fine hardwoods. These tools allow the artist to achieve unparalleled results with minimal frustration. Due to the tempered steel that we use, our tools are razor sharp when purchased, stay sharp longer and can be re-sharpened with ease in order to continue delivering the results that artists demand.

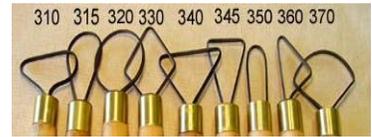

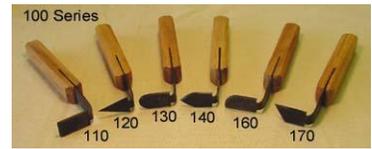

DPT 100 SERIES: (large) **\$12.75**
 This trim tool set is made with high carbon steel blades of approximately 1 1/4" length with tapered tangs allowing access to hard to reach places. 7" long.

DPT 300 SERIES: **\$11.75**
 Heavy duty line, high carbon steel ends, bonded with industrial adhesive to hard-wood handles that have been soaked in oil/resin mix for moisture resistance. 7" long.

DPT 400 SERIES: **\$ 10.75**
 Mid range line. High carbon steel blades, sealed hardwood handles and brass ferules. Permanently bonded with industrial strength adhesive. 6 1/2" long.

DPT 500 SERIES:
 These trimming tools are made of a medium gauge high carbon steel that has been hardened and tempered. This series features our most popular tool shape in a variety of sizes. –

510 & 570 \$11.75 511, 525, 555, 571 \$10.75 512 & 572 \$9.50

DPT 240
