

GIFFIN GRIP

GIFFIN GRIP

\$219.00

A re-centering and holding tool for leather hard or bisque ware. Designed specifically for trimming, it works equally well for waxing the foot or for banding with underglazes or engobes. The arms gently center your piece with a twist of the GRIP. After the initial adjustment, the GIFFIN GRIP easily snaps on and off your wheel. A variety of parts are included for many shapes and forms.

LID MASTER CALIPERS

Take the risk out of sizing lids to pots. Can be used for both inside lids and for outside, cover type lids. Broken lids, no problem to fit. The calipers can be set to measure fired ware and size lids to allow for 12½% shrinkage.

Standard (lids to 11½") \$14.95

Large (lids to 16½") \$29.95
