

NORTH STAR CARTS & WORK TABLES

SHELF TRUCK

Includes four pair of shelf brackets, with base, this will accommodate five 24" by 36" shelves. Wheels are 6" in diameter, two wheels lock. Cart can hold up to 22 shelves with the use of extra brackets. 750# capacity. Dimensions are 39" wide, 24" deep, and 67"

VERSACAB

The **VersaCab** is the Shelf Truck with the VersaCover. The ****VersaCover** instantly converts any North Star Standard Shelf Truck to a movable damp room. Made of heavy clear 20-gauge vinyl, 100% polyester canvas top and corners, and two full-length #8 molded zipper chains. It also has 3 wire shelves and a vent shelf for the bottom bracket that allows for adjustment of air flow into the rack.
